1. Click “Search by Subject or Topic” to open menu.

2. Under the “Legal” category, select “State Statutes and Regulations.”
3. Enter your search terms in the search box. Then click “Advanced Options.”

4. Check the box next to “Statutory Code.” Next, select “Virginia” from the list of states. Click “Apply” to return to your search box. Finally, click “Search” to run your search.
